Close **Add To Report**

Books/Reference Materials

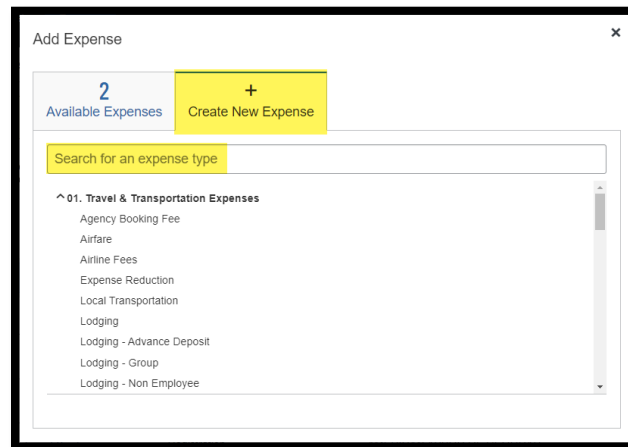

- Click on the transaction.
- If the transaction does not default to the correct expense type, use the drop-down menu under **Expense Type** to select **Supplies - Books/Reference Materials**.
- Ensure that the **Traveler Type**, **Trip Type**, **Report/Trip Purpose** and **Event Name/Nature of Business** fields all fill down appropriately from the report header as these are required entries.
- Additional information may also be entered in the available fields.

Cash/Out of Pocket Charges

- To expense a Cash/Out of Pocket charge, click on **Add Expense**.

- Select the **+ Create New Expense** tab in the pop-up window.

- Either type in **Books/Reference Materials** in the **Expense Type** search bar or scroll through the list of expense types and select **Books/Reference Materials**.
- Enter in the **Transaction Date** by using the **calendar** option or type in the date using the format of **MM/DD/YYYY**. The date used should be the transaction date noted on the receipt.

Books/Reference Materials

15. Ensure that the **Traveler Type**, **Trip Type**, **Report/Trip Purpose** and **Event Name/Nature of Business** fields all fill down appropriately from the report header as these are required entries.
16. Additional information may also be entered in the available fields.
17. Change the **Payment Type** to **Cash/Out of Pocket**.
18. Enter the amount in the **Amount** field. Note that the amount will default to US Dollars (USD). Do not enter in commas or dollar signs in this field.

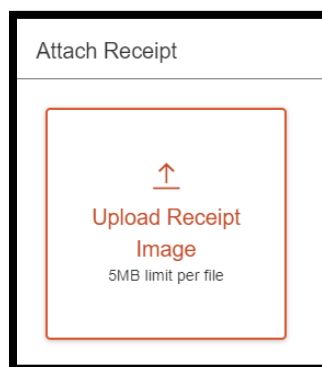

Receipts

19. All charges for **Supplies** or **Books/Reference Materials** will require a receipt. To satisfy the receipt requirement if the vendor did not provide an e-Receipt, this is a Cash/Out of Pocket expense or there is a more detailed receipt to add to the expense line, add the receipt by selecting **Upload Receipt Image** to the right of the expense. Note that if the receipt field is not present, click on the **Show Receipt** hyperlink at the top right of the screen.

The screenshot shows the 'New Expense' form with the 'Details' tab selected. There is an 'Allocate' button on the left and a 'Show Receipt' button on the right. The 'Save Expense' button is at the top right. A '* Required field' note is visible at the bottom right.

20. A pop-up box will appear and you can click **Upload Receipt Image** to locate the receipt saved on a local device or, if the receipt image was uploaded previously, the receipt will be available to select.

21. Click on the correct **receipt** and click **Attach**.
22. The receipt image will appear to the right of the screen. Click **Save Expense** at the top right or bottom left of the screen.
