Your **2021 - 2022 Free Application for Federal Student Aid (FAFSA)** has been selected for review in a process called Verification and your high school completion status must be indicated before processing of your aid can continue.

Provide one of the following documents that indicate the student’s high school completion status when you will begin college in 2021 – 2022:

- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree, or
- A copy of the student’s high school diploma, or
- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded, or
- A copy of the “secondary school leaving certificate” or similar document for students who completed secondary education in a foreign country and are unable to obtain a copy of a high school diploma or final transcript, or
- A state certificate or transcript received by the student after the student passed a State-authorized examination that the State recognizes as the equivalent of a high school diploma (GED test, HiSET, TASC, or other State-authorized examination), or
- For a student who was homeschooled in a state where state law requires the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a copy of that credential, or
- For a student who was homeschooled in a state where state law does not require the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a transcript, or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

If you are unable to obtain the documentation listed above, you must contact the Office of Student Financial Aid.
