

Cost of Living Increase Worksheet 2025-2026

Students requesting an increase in their financial aid due to increases in cost of living should fill out this form.

Type the appropriate information into the yellow spaces on the form. Be sure to include copies of any unusual expenses. The form will compute your totals for you, so there is no need to do any math.

When you have completed this form, print it, sign it, and return it along with copies of your expenses to the financial aid office.
