Aid Offers

- * Receipt of a financial aid notification does not indicate acceptance into an academic program.
- * The total estimated costs for the length of the internship are referred to as your cost of attendance or your budget.
- * Once your FAFSA has been received, we will create your financial aid offers, offering you aid up to your cost of attendance. Your initial offers will likely consist of mostly, or possibly only, loans.
- * Federal Direct Loans are offered to all federal aid eligible students who submit a valid FAFSA. For the 8 months of the Internship, a possible maximum of \$20,500 is offered, depending upon any other Federal Direct Loan funds borrowed in the same aid year.
- * Students on the DI/MS track who need financial aid will need to be aware of how annual loan limits could affect their opportunity to borrow federal loans.
- * Go to our website for explanations of the variety of aid programs you may be eligible for & see in your financial aid offers.

Example Aid Offers

First Year Oklahoma Resident EXAMPLE

Cost of Attendance	\$	38,850
Federal Direct Unsubsidized Loan Funds	\$	<u>20,500</u>
Difference	\$	<u>18,350</u>
Additional Loan Funds	\$	<u>18,350</u>

- * Additional Loan Funds reflect the remainder of your eligibility, up to the cost of attendance, less any Federal Direct Unsubsidized loan amounts.
- * Additional Loan Funds are an indicator of your potential to research & apply for an Alternative loan.
- * Alternative loans are credit based loans & may require endorsers or co-signers. Each Lender has its own advantages & disadvantages. It is at your discretion to borrow the amount of loan that is appropriate to your situation.

Reminders:

- * You have to initiate the acceptance of any loans for processing to occur via Self-Service.
- * Federal Aid is offered on the assumption that students will be enrolled full time for the academic year. Enrolling less than full-time and/or dropping courses may reduce your aid eligibility.
- * While you are offered the maximum loan amounts possible, the amount accepted can be reduced to fit your specific situation.
- * If you research Additional Loan funds and find you need to borrow Federal Direct Grad Plus or private loan funds, you must initiate the application process, authorizing the required credit check and completing the required documents.
- * Because enrollment is processed in a somewhat unusual way, financial aid will only be available during the first portion of the Internship. Requests for aid cannot be processed during the second portion of the program.
- * For a detailed breakdown of estimated tuition & fees for upcoming & previous years, please visit the Bursar's Office Tuition & Fees site.
