Your **2025 - 2026 Free Application for Federal Student Aid (FAFSA)** was selected for review in a process called Verification. Federal regulations require that the Office of Student Financial Aid compare information from the FAFSA with information you provide below prior to awarding Federal Student Aid. If there are differences between your application information and your statement, you or our Office may need to make corrections.

Complete this form and submit it to the Office of Student Financial Aid as soon as possible in order to avoid processing delays.

On your **2025 – 2026 FAFSA**, you and/or your spouse, if married, indicated that you are not required to file an income tax return but you earned income from work in the **2023** tax year. Because you have been selected for Verification, we require your signed statement to verify the information provided on the FAFSA. **Independent students must also obtain an IRS Verification of Nonfiling letter by visiting <https://www.irs.gov/individuals/get-transcript>, or completing IRS Form 4506-T, checking box 7, available at <https://www.irs.gov/pub/irs-pdf/f4506t.pdf>.**
